

Deirdre Englehart, M.Ed.
Instructor, Early Childhood Program
Child, Family and Community Sciences
UCF/DBCC DeLand Campus
1155 County Road 4139
DeLand, FL 32724
(386)228-3090 ext 2407

1. Academic Degrees

Ed.D. University of Central Florida - Currently Enrolled
Curriculum and Instruction- specializing in Early Childhood, Reading
M.Ed. University of Central Florida 1995 Elem. Education
Specialization Math and Science
B.A. University of Central Florida 1986 Communications

2. Professional Experiences

2001- Present University of Central Florida, Instructor, Early Childhood
Education - Deland Campus
1999-2001 University of Central Florida, Visiting Instructor, Early
Childhood Education
1997-1999 Orlando Science Center, Orange County Public Schools -
Early Childhood Teacher- in-Residence
1990-1997 Primary Teacher, Orange County Public Schools

3. Faculty and Administrative Load

Fall Semester 1999

EEC 4610	Guidance of Young Children	3 semester units
EEC 3940	Supervision of Student Teachers	9 semester units

Spring Semester 2000

EEC 4610	Guidance of Young Children	3 semester units
EEC 3610	Social and Emotional Development	3 semester units
EEC 4402	Cultural and Family Systems	3 semester units
EEC 3940	Supervision of Student Teachers	3 semester units

EEC 4943 Supervision of Student Teachers 3 semester units

Fall Semester 2000

EEC3610 Social and Emotional Development 3 semester units

MAE 4300 Exploring Mathematics 3 semester units

SCE 4023 Teaching Science and Technology 3 semester units

EEC 3940 Supervision of Student Teachers 3 semester units

EEC 4943 Supervision of Student Teachers 3 semester units

Spring Semester 2001

MAE 4023 Exploring Mathematics 3 semester units

SCE 4300 Teaching Science and Technology 3 semester units

EEC 3940 Supervision of Student Teachers 3 semester units

EEC 4943 Supervision of Student Teachers 3 semester units

Fall Semester 2001

EDF 3120 Observing Child Growth and Dev. 3 semester units

EEC 4402 Cultural and Family Systems 3 semester units

EEC 3268 Play Development 3 semester units

EEC 4731 Health, Safety and Nutrition 3 semester units

EEC 5205 Programs & Trends in Early Childhood 3 semester units

Spring Semester 2002

EEC 3610 Social and Emotional Development 3 semester units

RED 3310 Emergent Literacy 3 semester units

EEX 4751 Parental Involvement 3 semester units

IDL 6543 Web Services and Course Development

EEC 3940 Supervision of Student Teachers - integrated into coursework

Summer Semester 2002

EEC 5205 Programs and Trends in EC Education 3 semester units

EEC 5206 Curriculum and Instruction in ECE 3 semester units

MUE 2210 Music and Movement in ECE 3 semester units

ARE 2011 Art and Creativity in ECE 3 semester units

Fall Semester 2002

EEC 3268 Play Development 3 semester units

EDF 3120 Observing Child Growth and Dev. 3 semester units

MAE4300	Exploring Mathematics	3 semester units
SCE 4023	Teaching Science and Technology	3 semester units

Spring Semester 2003

EDF 3307	Learning Environments and Guidance	3 semester units
EEC 4731	Health, Safety and Nutrition for YC	6 semester units
RED 3012	Foundations of Reading	3 semester units

Summer Semester 2003

RED 3310	Emergent Literacy	3 semester units
EEC 4731	Health, Safety and Nutrition for YC	3 semester units
EEC 5205	Programs and Trends in EC	3 semester units

Fall Semester 2003

EDF 3120	Child Growth and Development	3 semester units
EEC 3268	Play Development	3 semester units
MAE 4300	Exploring Mathematics	3 semester units
SCE 4023	Teaching Science and Technology	3 semester units
LAE 3414	Children's Literature	3 semester units

Spring Semester 2004

RED 3310	Emergent Literacy	3 semester units
EDF 3307	Learning Environments and Guidance	3 semester units
EEC 4731	Health, Safety and Nutrition for EC	3 semester units
EEC 4943	Supervision of Student Teachers	3 semester units
EEC 3940	Supervision of Student Teachers	3 semester units

Summer Semester 2004

EEC 4731	Health, Safety and Nutrition for EC	3 semester units
EEC 5205	Programs and Trends in EC Education	3 semester units
EEC 5206	Curriculum and Instruction in ECE	3 semester units

Fall Semester 2004

LAE 3414	Children's Literature	3 semester units
EDF 3120	Observing Growth and Development	3 semester units
MAE 4300	Exploring Mathematics	3 semester units
SCE 4023	Teaching Science and Technology	3 semester units
RED 4311	Development of Literacy	3 semester units

Spring Semester 2005

RED 3310	Emergent Literacy	3 semester units
EDF 3307	Learning Environments and Guidance	3 semester units
EEC 4731	Health, Safety and Nutrition for EC	6 semester units

Summer Semester 2005

EEC 4731	Health, Safety and Nutrition for EC	3 semester units
EEX 4751	Parent Involvement	3 semester units

Fall Semester 2005

EEC 3268	Play Development	3 semester units
EDF 3120	Observing Growth and Development	3 semester units
MAE 4300	Exploring Mathematics	3 semester units
SCE 4023	Teaching Science and Technology	3 semester units
RED 4311	Development of Literacy	3 semester units

Other Collegiate Assignments

Member of Early Childhood Search Committee - 1999-2000
NCATE Preparation, 2005 and 2000
Dean's Development Board - 2000- 2004
AS to BS degree, Early Childhood Education Track II

4. Current Professional and Academic Association Memberships

*National Science Teachers Association
National Association for the Education of Young Children

5. Current Professional Assignments and Activities

- NAEYC Presentation- November 2003+ Fall 2005, Technology coursework in the Early Childhood Program
- National Writing Project - Reading-Writing Conference, Fall 2005

- Educational Consultant, HUBS Grant - Preschool Mathematics Training, 2003-2005
- Freedom Elementary, Mentor Teacher - Kidspiration in the Classroom
Freedom's Family Fun Night - Family Mathematics Night, 2003
- Classroom Volunteer, Forest Lake Elementary 2003-2005
- Volusia County Readiness Coalition - Quality Committee Member

6. Publications

Inexpensive Science, Grades Prek-K, and K-1

McGraw-Hill Publishing, 2004

Health, Safety and Hygiene, Grades 1-2,3-4, and 5-6

McGraw-Hill Publishing, 2004, In progress

Write about Physical Science,

McGraw-Hill School Publishing, 2003.

Write about Earth Science

McGraw-Hill School Publishing, 2003

Write about Life Science

McGraw-Hill School Publishing, 2003

It's Elementary! Special Topics in Elementary Education,

Association for Childhood Education International, Publication expected
September 2002.

Science Inquiry Series - Soil, TS Denison/Instructional Fair: Grand Rapids,
2000.

Science Inquiry Series - Magnets, TS Denison/Instructional Fair: Grand
Rapids, 2000.

Science Inquiry Series - The Five Senses, TS Denison/Instructional Fair:
Grand Rapids, 1999.
