

Charlotte Neubauer, MSN/Ed, RN
Instructor
Cocoa Campus

Teaching: I have been a practicing Registered Nurse and nurse educator in various clinical facilities for over 20 years. I developed and taught a sibling class for children of expectant parents as well as a four part prenatal series for expectant parents. The emphasis of my clinical educator role is women's health including labor and delivery, neonatal transition, and post partum. Since January 2005 while pursuing my Masters in Nursing degree I worked as an adjunct clinical instructor at the University of Central Florida in acute psychiatric nursing at Circles of Care, Melbourne, Florida and rehabilitation nursing at Health Care Center of Merritt Island, Merritt Island, Florida. After completing my MSN/Ed I was offered and accepted a full-time instructor position. I currently teach and guest teach a variety of nursing classes as well as facilitate the clinical rotations. I am an American Heart Association and Academy of Pediatrics instructor for Advanced Cardiac Life Support (ACLS), Pediatric Advanced Life Support (PALS), Basic Life Support (BLS), and Neonatal Resuscitation Program (NRP).

Research: My current research interests in with culturally diverse women's health issues as well as integrating multiple learning methods and assessment for learning disabled nursing students.

Service:

2007 -present	UCF regional campus "Quality Enhancement Plan for Information Fluency" project team member
